Professional Summary

Entry-level Full Stack Developer and recent B.Com (Computer Applications) graduate with hands-on experience in Python, Django, Django REST Framework, React.js, JavaScript, and SQL. Built responsive web applications and REST APIs with JWT authentication through projects and a Full Stack Developer internship. Seeking an entry-level Full Stack / Python Full Stack Developer role.

Technical Skills

- **Languages:** Python, JavaScript, Java, C++
- **Frontend:** React.js, Redux Toolkit, HTML5, CSS3, Responsive Design
- **Backend:** Django, Django REST Framework, Node.js, Express.js, REST APIs, JWT Authentication
- **Databases:** MySQL, MongoDB, SQL
- **Tools:** Git, GitHub, VS Code, Postman, Vite

Experience

Full Stack Developer Intern 07/2026 – 10/2026
Godavari Wave Technologies Private Limited, Rajahmundry

- Developed and enhanced web application components using Python, Django, Django REST Framework, React.js, and SQL.
- Integrated React.js frontend with backend REST APIs to support application functionality.
- Tested API endpoints with Postman, debugged issues, and managed code with Git and GitHub.
- Collaborated with team members to complete development tasks and project deliverables.

Projects

E-Commerce Web Application *React.js, Redux Toolkit, JavaScript, Vite, REST API*
Live Demo

- Built an e-commerce app with product listing, product details, cart, and user authentication.
- Integrated REST APIs to fetch and display product data dynamically.
- Used Redux Toolkit for centralized state management of products and cart.

Food Delivery Web Application *Python, Django, DRF, React.js, MySQL*

- Developed a full-stack food delivery application with a responsive frontend and backend integration.
- Built REST APIs with Django and Django REST Framework; integrated them with frontend components and a MySQL database.
- Tested API endpoints using Postman.

Derma Glo – Skin, Hair & Laser Clinic Website *React.js, JavaScript, HTML5, CSS3*
Live Demo

- Developed a responsive clinic website with reusable components for navigation, treatments, gallery, reviews, and appointment booking.
- Implemented responsive layouts for mobile, tablet, and desktop.
